

Announcing A Wonderful
Summer
Opportunity
For Preschool Children...

Franklin Township School is offering a

Four-Week Early Childhood

Enrichment Program

July 18, 2011 to August 12, 2011
For Children Ages 3 to 4 Years

The program utilizes the highly acclaimed **Tools of the Mind** curriculum. Children will be engaging in activities that include high quality literary selections that will encourage vocabulary and language development.

There will be stimulating learning centers to encourage decision making socialization and curriculum enrichment. Fun art activities will foster creativity and fine motor development. There will also be many opportunities for play and socialization.

Children will have fun while developing key early childhood skills that will provide a strong foundation for future learning.

Give your child a truly valuable experience.
