

Kindergarten Wrap-Around Program 2011-2012 School Year

The Franklin Township School is happy to be able to offer a Kindergarten Wrap Around program. The program is being operated in partnership with the Work-Family Connection program, which provides before- and –after-school child care services, in the Franklin Township School building.

Program Description

This unique school and family partnership is designed to reinforce and enhance your child's kindergarten experience by including academic concepts such as number logic, reading, writing, classifying and reasoning combined with fun-filled academic and movement activities. The program will also focus on social and emotional skills that are key to long-term success in school and beyond. Franklin Township School is committed to providing a quality program that will capitalize on the unique abilities and interests of all children in the program.
