## REVISED LETTER

June 27, 2017

Dear Parents,

In order to distribute chromebooks in the beginning of the 17- 18 school year, we are requesting that sixth through eighth grade students complete an online course during the summer. The name of the course is **Digital Driver's License** and can be found at:

<https://otis.coe.uky.edu/DDL/launch.php>

Each student must register every year with his or her student email address (ex \*\*\*\*\*@lions.fts.school.org). Students must complete three modules and achieve 80% or better passing grade to print out their Digital Driver's License which they will need to bring to school in the new school year. Begin by hitting "Get Started" and follow the Sign in page directions.

We hope that completing this course over the summer will lead to an earlier distribution of chromebooks to middle school students. If you have any questions, please feel free to contact Leslie McCusker at [lmccusker@fts.school.org](mailto:lmccusker@fts.school.org) or (908) 735-7929.
