

Winter Songs And Fingerplays

Here are some of our Winter songs and fingerplays! These activities are great for developing eye-hand coordination, sequencing skills, following directions and the difference between left and right. The children also review rhyming and alliteration as well as focus on classroom themes. Enjoy!!

Dr. King

Brotherhood for you and me,
You and me,
Brotherhood for you and me,
Taught Martin Luther King.
We shall live in harmony, harmony,
We shall live in harmony,
Taught Martin Luther King.

Be My Valentine

Have a heart,
Have a heart,
Be my valentine,
I love you,
Yes I do!
Be My Valentine.

Mr. Groundhog

Here's Mr. Groundhog furry and brown,
He's coming up to look around.
If he sees his shadow,
Down he will go,
Then six more weeks of winter,
Oh No!!

Let's Make A Valentine

Let's all make a valentine,
A big one just for you!
We will take some lace and ribbon,
and we will stick it with some glue!
We will put some writing on it,
That says, I love You!
You'll Never guess who sent it,
I'll never tell you who!!

Winter

Oh there's wind in the chimney,
Snow in the air,
And frost on the pane,
and cold everywhere.
So wear your long leggings,
and wrap up your throat,
And pull on your mittens,
and button up your coat.
And do be careful,
and don't freeze your noses,
You'll need them next summer
to smell all the roses.
