Respect, Ownership of Actions, Achieve Personal Best, Responsibility, and Safety

In First Grade, students in Mrs. Nombre's class completed a "Write the Room Addition Facts" activity. Students silently walked around the room solving candy themed addition math facts.

Preschool students in Mrs. Schultz's class made headpieces and necklaces in preparation for their Thanksgiving gathering next week.

On Tuesday 53 of our 4th-8th grade band and chorus students participated in North Hunterdon High School's Future Lions Music Festival. Our students were split into different ensembles: 4-12th grade chorus, 4/5 band (with some high schoolers), and 6/8th grade band (with some high schoolers). The students all got to know other students who play their instrument or also enjoy singing. Each performing ensemble learned a new song that day and performed for an audience in the afternoon. There were also performances by a 4-high school Orchestra, the high school String Orchestra, and high school Choral Ensembles (Madrigals and Show Choir). The students had an amazing experience, and are excited to do it all again next year!

FOOD DRIVE

S T U D E N T C O U N C I L & N J H S

THE DRIVE

The student council and NJHS will be hosting the annual food drive. This drive is a competition between all homerooms to see who can donate the most food. We will only be collecting non-perishable food items.

THE PLAN

The homeroom that gathers the most food will be awarded the 2024 Food Drive winners, and will also receive a pizza party, completely paid for by the Student Council and NJHS.

THE GOAL

The main goal for the food drive is to raise awareness to hunger, and to donate food to those families in need. Donating food to the Student Council & NJHS Food Drive would be a great way to provide community service, and raise awareness.

The food drive will begin on Monday, November 11th.
The food drive will conclude Friday, December 13th.
