

## The FTS Art Club

Art Club members are part of a team composed of artistic minded individuals for arts sake! This is an art movement filled with color, shape, form and value. Art Club members will assist in creating murals, art installations, theater stage design, community based art projects, and the FTS Art Exhibit featuring your own sectional display.

The FTS Art Club is designed to enhance the art making experience while strengthening the global intellect of each individual learner. This program is a wonderful opportunity for students who exhibit exceptional ability in the Visual Arts to explore new media and in depth concepts. The goal of the program is to provide a variety of sequential experiences leading to advanced artwork and critical thinking skills.

The FTS Art Club program will be held twice a month, the first and third **TUESDAY** of each month from **3:30 ~ 5:00 pm**. The first class meeting will take place on November 6th. Student attendance is mandatory (student is excused if absent from school and/or other after school commitments) in order to attend the Art Club field trip and other exclusive Art Club events. Students who are in the Art Club should be able to maintain an “**A**” average in art, they should consistently excel in all media and projects, and they should be able to reach beyond the expectations of lesson objectives while in accordance with the academic criteria and the code of conduct which is located in the parent/student handbook.

Mr. Smith
