

## **Kindergarten Summer Homework Packet Information**

Dear Parents,

We have prepared summer review packets for your child. The purpose of the work is to review concepts presented throughout the year. Please have your child work on the packets during the summer vacation.

**When your child returns to school in September please have them give the completed packet to their first grade teacher.** Their packet completion will be documented and they will receive credit for their work over the summer.

Please know how much your effort and support has been appreciated. When parents and teachers work together children thrive.

We wish you an enjoyable and restful summer!

All the Best,

Karen Brokaw
